As part of the events planned by the Jean Monnet Centre of Excellence of Toulouse Capitole University, Bangor University School of Law, partner of the Toulouse European School of Law, organized and hosted the 3rd annual P h D W o r k s h o p s .

After the very successful PhD workshops at Toulouse (2016) and Barcelona (2017), the Bangor PhD workshop invited 16 PhD students from French, Italian and Welsh universities to present their doctoral research in the fields of European or International Law on the theme of citizenship. Under the moderatorship of a professor from Bangor Law School, they presented their key research findings which acted as a catalyst for a rich exchange of views among presenters, academic staff and attendees.

This publication is the first issue of a new collection, Cahiers Jean Monnet, by the Toulouse Capitole University Press. It brings together the twelve articles selected by the scientific committee. It is co-funded by Europe in the framework of the Center of Excellence Jean Monnet - Center of Excellence Europe Capitole.
