Regulation of Health Professions in Europe p .641 and next à l'ouvrage : European Health Law André den Exter Nathalie De Grove Valdeyron contribution, IRDEIC

April 1, 2018

European Health Law is the most authoritative guide to the subject.

European Health Law is the most authoritative guide to the subject. Written by leading experts in health law, this book offers an in depth review of the main themes in European health law, from patients' rights and duties, the role of health professionals, and health care financing and rationing, to public health and health related issues, such as occupational health and environmental health. An unparalleled resource for students and practitioners, this is the book you need on European health law.

Nathalie De Grove Valdeyron contribution : Regulation Regulation of Health Professions in Europe p .641 and next
